STANDING ORDERS

1ST. BN. THE BLACK WATCH (R.H.R.) OF CANADA CASE

ALBUHERA BKS.

5 DEC 40

App 3

GUARD STANDING ORDERS:

1. Owing to the fact that in the past the guard room has not been kept properly clean, the following routine will now be carried out by all guards:

(i) Duties coming off guard at 0800 hours will not sleep until 1100 hours.

(ii) The duties asleep at 0800 hours will be waked and will contribute to the cleaning of the guard room.

(iii) Between 0800 and 1100 hours the guard room will be inspected daily by the Orderly Officer.

It must be in first-class order: equipment laid out, floors clean, and guard room thoroughly ventilated.

(iv) Duties occupying accommodations for the guard in "B" Block will remember that other personnel must sleep in "B" Block too, and will try to make as little noise as possible when coming in and going out and will not disturb property belonging to personnel in that building in any way.
