USE OF CAPTURE CARDS

1. Between 14 Nov 44 and 1 Dec 44 a number of first capture cards were received from PWs and examined by Brit PW branch.
2. Of the total, 78 bore unit designations, and 557 of the remainder showed the writer's regt or div, but not the unit.
3. It is imperative that all ranks are warned that whatever form such cards may take, they will only give their NAME, RANK, and NUMBER, and that these details are sufficient for the purpose of identity and for notification of their next of kin. Any other infm helps the enemy.
