Additional Items of Interest

While observing mortar positions, the following were noted :-

1. Empty NBW pits were found at MR 793 506. This had been a former NBW location when we first arrived in the NIJMEGEN area.
2. Evidence of a Leicht Feldhaubitze (Howitzer) was found at MR 793 507.
3. Some 81mm mortar bombs and an upturned ammunition cart were found at MR 775 517.
4. Several MG pits were found at MR 775 521.
5. An excellent MG pit was found at MR 757 505, sited to cover a SOUTH-ELY direction.
