I RHC OPERATION INSTRUCTION No. 1

Ref. Maps:- Sheet 12 --  $\frac{1}{4}$  inch to 1 mile.  
Sheets 114 115 116)  
124 125 126) 1 inch to 1 mile.

INFORMATION

1. It must be anticipated that the enemy may oppose any move of I RHC, either by air action or with ground tps.
2. More detailed information regarding the enemy and our own tps. will be issued separately.

INTENTION

3. In event of invasion I RHC, (less "E" Coy. and Rear Party,) and attached tps. will move with 5 Cdn. Inf. Bde.

METHOD

4. For purposes of this operation I RHC and attached tps. has been organized into nine gps. whose composition is shown as Appendix "F", attached. "B" Sec. Troop Carrying Coy., consisting of thirty 3-ton Lorries will transport marching personnel of Bn.
5. Bde. and attd. tps. will move in one coln. by one of the routes shown as Appendix "A". Move may be to position of readiness shown as Appendix "B", or to some other area EAST of this position, but probably NOT EAST of line RYE R33-BIDDENDEN R25-MAIDSTONE R27.
6. Coy. gps. will ensure that as many officers as possible reconnoitre all routes shown in Appendix "A" and the position of readiness as already allocated to the Bn.
7. Move will be in accordance with march table to be issued. Route selected, time to pass S.P. and location of D.P., will be notified later for inclusion in march table.
8. Attd. Corps tps. will come under command I RHC on receipt of order to move and will join coln. as indicated in Appendix "A", and in R V timetable which will be issued separately as Appendix "D".
9. Traffic Control.
  - (a): Div. will be responsible for tfc. Control from incl. Road Junction 299714 to D.P.
  - (b): An Officer will be detailed for tfc. Control from Bn. S.P. to incl. Road Junction 299714 and from D.P. to position of readiness.
  - (c): Locations of Div. Traffic Control Posts are shown in Appendix "A". A list of all T.C.P. locations, together with G.P.O. telephone numbers and details of organization will be issued separately as Appendix "E".
